Preparing Christians for Major Events That Will Take Place in the United States in the Near Future

War Is Coming to America, PART IV – Prepare for Economic Collapse

June, 2026

To the Remnant Bride of Christ and All Who Seek the Truth:

Time is short, the days are evil, and the pace of change is accelerating. PART I described deception in America, war coming to America, and the coming persecution of Christians. It is a war against our bodies and our souls, which is why it is so important to understand what is coming and how to prepare for it – physically and spiritually.

PART II – Prepare Spiritually, focused on how we can prepare spiritually for powerful events coming soon to our nation and the world. This was addressed in five key points: this earth is not our home, we are in the end times, God has a plan for each of us and our families, we are to be proactive spiritually, and spiritual preparation often leads to physical provision.

PART III addressed how we are to prepare physically, because the supply chains that provide goods, services, AND FOOD that we depend on are vulnerable to war and a shortage of oil, natural gas, and other products that have been curtailed in the Strait of Hormuz.

This is PART IV, which will address how to prepare for economic collapse, because the events coming to America will directly affect our economy and ability to provide for and care for our families. This is not professional financial advice, but information for you to consider as you plan for the future.

Just as the safest place to be is always in the center of the Lord's will for our lives, the best preparation is seeking the Lord and following His guidance in all things.

Amos 3:7 says the Lord always warns His people before He does something, and the New Testament affirms that the Holy Spirit will tell us of things to come beyond what Christ revealed to His disciples:

“I still have many things to say to you, but you cannot bear them now. However, when He, the Spirit of truth, has come, He will guide you into all truth... and He will tell you things to come. *John 16:12-13*

As always, **QUESTION EVERYTHING**, do your own research, check out these sources, and take these things to the Lord for confirmation, for the Truth shall set us free.

I. Prepare for Economic Collapse

The Twin Economic Superstorms: Why Your Financial Future Is at Risk from Energy Collapse and AI Job Replacement

5/01/2026 by Mike Adams, NaturalNews.com

An economic hurricane is bearing down on the United States, and two distinct superstorms are converging at once. The first is an energy collapse driven by war and supply chain breakdown. The second is the tidal wave of artificial intelligence replacing human jobs across the economy. These are not separate problems -- they are a one-two punch that will wipe out middle-class wealth and push millions into desperation.

The energy crisis we face today is not an accident of geology or market cycles. It is a direct consequence of the Trump administration's war of choice against Iran, which has choked off key resources such as helium, sulfur, and natural gas.

[The signing of a treaty by President Trump with Iranian officials sounds very promising. However, as described in the previous post, if the Strait of Hormuz opened this afternoon, completely and permanently, the first drop of new Persian Gulf gasoline would not reach a Midwestern gas pump until approximately June 2027. **That is 64 weeks from now.**

That means the pain is locked in, regardless of what happens diplomatically. The physical reality of moving oil across oceans, refining it, and distributing it to 150,000 gas stations cannot be compressed. No executive order fixes this. Even if peace comes tomorrow, the recovery takes years.

Furthermore, Persian Gulf countries will be exporting much less oil and natural gas for the foreseeable future because of all the oil and natural gas infrastructure that was damaged or destroyed during the war. It will take years before all of that infrastructure is fully repaired and rebuilt.]

The AI job replacement wave is here. While the energy crisis squeezes every household, the second storm -- AI-driven job automation -- is already crashing onto shores of white-collar employment. Customer service, coding, accounting, and even legal analysis are being automated away. In the coming two years, it is highly probable that agentic AI could replace up to 50% of desk jobs. The replacement of human labor is happening now.

The true danger emerges when these two storms collide. Incomes are plummeting due to AI job loss, while the energy crisis drives up the price of everything: food, rent, transportation, and utilities. This simultaneous hit will push millions into bankruptcy and homelessness.

Preparing for what is coming: the only sane response is to decentralize your life immediately. Own physical gold and silver, which have no counterparty risk and cannot be hacked or seized by a digital currency system. And stockpile what food you need to survive for at least six months, including water filtration, medical supplies, and a means of off-grid energy.

Learn to grow your own food, acquire skills that robots cannot easily replicate such as welding or herbal medicine, and build community with like-minded individuals. Use uncensored AI tools like [BrightAnswers.ai](#) to research the truth about energy, economics, and health. The establishment

media, government, and Big Pharma have all proven they are willing to sacrifice you for profit and control. Prepare while there is still time.

How the AI Layoff Shock Is Triggering the Greatest Wealth Transfer in History

by Nick Giambruno

It was the largest workforce reduction, as a share of total headcount, in S&P 500 history. Earlier this year, financial services company Block cut 40% of its workforce in a single round of layoffs.

It was an astonishing example of how the artificial intelligence (AI) productivity shock is already here, and accelerating faster than most people can comprehend. Block was just the beginning. PayPal, Meta, and Coinbase have all announced significant AI-related workforce reductions. **We could soon see AI automate millions of white-collar jobs.** What will happen to these people? What is going to happen to their mortgages, car loans, credit card debt, student debt, and other liabilities?

How will the US government deal with the lost tax revenue? **Kevin Warsh, the new Chair of the Fed, is signaling that he will debase the currency in a misguided effort to offset AI's deflationary effects.** The problem is that the effects of AI are going to be so profound that the level of currency debasement Warsh would have to engage in would be staggering.

II. What Do the Watchmen Say About It

Our Lord has raised up watchmen and women to hear from the Holy Spirit and speak into our nation and many other nations.

“My sheep hear My voice, and I know them, and they follow Me.”

John 10:27

So we must always seek the Lord and His guidance, for the Truth shall set us free (*John 8:32*).

The events coming soon will directly impact our economy and finances, so we need to prepare accordingly. The first thing to remember is that as believers in Jesus Christ, our resources – all we own, are really the Lord’s, for we surrendered our lives to Him. We are stewards of His resources (including our very lives), to use them as He directs, to further His Kingdom, for His glory. And then He takes us Home. This first article speaks to this issue.

New Realities Are Coming – How Will You Respond?

Posted by [Handmaid of the Most High](#) on [2026/02/15](#)

“As disaster after disaster impact the world around you, you will see people needing help of all kinds: food, water, shelter, medicine, clothing, and transportation. They will come to you for aid. Will you be there in their hour of need, and treat them as you would hope to be treated?

Did not My Son tell you to help when you see a need? Every life matters, not just some. My true followers lay down their lives daily. They don’t assume that all the money they have in their wallet is theirs to spend however they choose. No, they ask Me what should they do.

One thing is true - it is harder for a rich man to enter heaven than it is for a camel to go through the eye of the needle! Think about that! Though you do not live in a mansion or own an airplane, you are very rich (in the West) despite your own objections to being characterized as such. Do not give up your eternity for things. It is a poor exchange."

"Yet it shall not be so among you; but whoever desires to become great among you shall be your servant. And whoever of you desires to be first shall be slave of all. For even the Son of Man did not come to be served, but to serve, and to give His life a ransom for many." Mark 10:43-45

The Day the Dollar Dies

Posted by Sandra West on 2026/05/20

On 5/6/26, I received this message from the Lord:

"The US dollar is gasping for air and will soon take its final breath. Many people will be devastated when the dollar finally dies because they have invested and put their hope in a rigged stock market. Do you not find it odd that it currently does so well, while the US economy is so poor? It is manipulated by man, and I abhor unjust scales and balances.

The wicked must tear down the old financial system to bring in the new, a new system that will ultimately be under the Antichrist. You are now seeing its foundation being laid. Data centers, artificial intelligence, block chain, tokenization, technocracy, along with nations and their withering economies are a means to an end.

This is the goal of the enemy. The end of the old order, and the dawn of a New World Order. Your dollar bill even says so. [On the US dollar

bill, “Novus Ordo Seclorum” is a Latin phrase translating to “New Order of the Ages”.] This will be a New Order of surveillance and control. Do not be dismayed, for I AM in control. Lest they repent and turn to Me, they will give an answer to the Father for all they have done.

When this happens, tell them of Me, and the hope that resides within you. Tell them of My Word so that they may be encouraged and have hope, for hopelessness and despair will run rampant the day the dollar dies. Tell them I AM well able to be their hope, by grace through faith. Be bold as a lion, but gentle as a dove. Share with them the Good News of My saving grace.

Prepare now your hearts and households, for the day the dollar dies comes soon.”

Get Ready for an Economic Collapse and the Rise of Silver

Posted by *Cryptic1* on 2026/02/20

On February 15, 2026, I heard the Holy Spirit say a word that took me back: **”HYPERINFLATION: The coming collapse is on the verge of happening.”** (Hyperinflation is extreme inflation, with prices rising at a very high rate in a very short time.) The Holy Spirit continued:

“Silver (and gold) will rise not only to bless God’s children, but also to fund God’s Kingdom and the coming Great Harvest.” Regarding silver, please seek Holy Spirit’s guidance regarding this financial move. As always, keep close to Jesus and be obedient to the promptings of Holy Spirit. May His will be done.

While writing this post I heard **“THE SILVER IS MINE and THE GOLD IS MINE”**, which reminded me of this article: [“The Silver is Mine and the Gold is Mine”](#). Also, see [”My Gold and Silver Will Explode”](#).

“The silver is mine, and the gold is mine’, says the Lord of Hosts. ‘The glory of this latter house shall be greater than the former’, says the Lord of Hosts. ‘And in this place I will give peace’, says the Lord of Hosts.” Haggai 2:8-9

Your New Reality

by noreply@blogger.com (Just Praise Him), November 21, 2025

“Prepare now for your new reality, where nothing is as it used to be and there isn’t enough of anything. Prepare, My people, for a new reality that is soon to be.

I see a Dow Jones Average in the single digits, starting with an 8. Whatever this is, I saw it bankrupting millions, with widespread job losses and panic. As it plunges deep, the Great Recession looks like just a recess.

Prepare! Now you have all you need, but then all shall be in need. For there will not be enough of anything. There will not be enough money to buy anything due to massive inflation. Store food, store goods you need, and use sparingly. **You will be glad you did.”**

“Go to the ant, you sluggard! Consider her ways and be wise, which, having no captain, overseer or ruler, provides her supplies in the summer, and gathers her food in the harvest. How long will you slumber, O sluggard? A little sleep, a little folding of the hands to sleep - so shall your poverty come on you like a prowler, and your need like an armed man.” Proverbs 6:6-15

Hyperinflation Will Precede the Economic Collapse

Posted by Cryptic1 on 2021/05/08

The Holy Spirit gave me the word 'hyperinflation' on March 3, 2021. In hyperinflation, prices of goods and services rise so drastically that consumers cannot buy much with their money. Most economists agree that hyperinflation begins when the rate of inflation exceeds 50% for a month.

That same evening I received this from the Holy Spirit: **"Daughter, hyperinflation will precede an economic collapse. Your dollar will fall, and your banks will collapse like dominoes.** Trust no man, institution, or government except Me. I alone am trustworthy. Be prepared for the financial collapse of your currency.

I have a plan: I have told My people to be a debtor to no one. Rid yourself of usury and owe no man anything – only God. The gold is Mine and the silver is Mine saith the Lord. Build up treasures that moths cannot eat. I have given you the wisdom and the knowledge to prepare for this day. Trust no man – put your trust and faith in Me alone and in My word. There you will find all truth."

"Do not lay up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal; but lay up for yourselves treasures in heaven, where neither moth nor rust destroys, and where thieves do not break in and steal." *Matthew 6:19-20*

Economic Collapse, War and the Tribulation

Time is very short; time is no more. The events in the ground are telling the true story. World events are alarming. The signs of the end are being manifested in many ways. There is a ramping up of the shakings, the floodings, the fires, the wars, and rapid changes in social dynamics.

There is a question about the economy. In a small voice, I heard “The economy will go down to three digits” meaning, it will go down to three digits, meaning down to 100 to 999.

A lady is broadcasting the news through the radio. She is announcing the companies which have collapsed reading the names of the companies, one, two, three, on and on.

Repent, Repent, Repent! Be prepared and take responsibility for family, friends, and communities.

An Economic Collapse

The Lord spoke to me and said:

“An economic collapse is unfolding. Tell my children this is a season to store and not to spend. Trust Me, for turbulent times are ahead. Do not build your treasures here where the moth, and the rust, and the thief can get to it. Sow only into fertile soil, and you will reap an abundance.

Do not fear what your eyes will see, Trust the I AM. Be wise. Listen for My instructions and obey.”

We need to make sure we are solid in Christ, hearing His voice and not just following every person that gives a “word” that promises better times. The scriptures remind us that we are not citizens of this life on earth. This life is our test; our race. So saints, let’s finish, and finish well.

As with all things, take this to prayer for confirmation.

BRICS De-dollarization

Posted by Sandra West on 2025/07/18

On 12/16/2024, I heard in the spirit a large object slam to the ground. The object was a very heavy and seemingly unbreakable object slamming to the ground. The sound was almost unbearable. I then heard “Wall Street” in the spirit: **“Wall Street is going to crash.”**

On 7/13/2025, I heard in the spirit, **“BRICS De-dollarization!”**, and received a vision from the Lord of **leaders of the BRICS nations actively pursuing de-dollarization**. Their aim is to reduce their reliance on the U.S. dollar in international trade and finance. [This would greatly reduce the purchasing power of the U.S. dollar. The BRICS alliance, representing 21 member and partner nations, plus 53 nations seeking closer association with BRICS, represents about 2/3 of the global population.]

On 7/16/2025, I received a sobering Word from the Lord: **“America, America, My once great love. Your sin is a stench in My nostrils! Why do you not repent?!”** You have cut off the Most High God, and now you will be cut off.

Your dollar will end! Your commerce will end! Your trade will end! Your blessings will end! Oh nation, not desired; how you have strayed afar off.

Oh wicked and adulterous nation, you have been warned; yet you repent not and now you will be cut off! You chose sin, pride and arrogance over the Most High. You must now reap the choices you have sown”.

This word speaks for itself. The Lord is aligning nations against the U.S. dollar. This process is speeding up due to the tariffs imposed by President Trump.

Please seek the Lord in prayer and humility, and prepare accordingly as He leads. Above all, may His holy name be glorified before all men!

A Call to Repentance: “Gather yourselves together, yes, gather together, O undesirable nation, before the decree is issued, before the LORD’s fierce anger comes upon you! Seek the Lord, all you meek of the earth, who have upheld His justice. Seek righteousness, seek humility. It may be that you will be hidden in the day of the LORD’s anger.” *Zephaniah 2:1-3*

NOTE: Regardless of what happens in the economy, people still need to interact to meet their needs. Historically, when hyperinflation hits and a currency becomes worthless, gold and silver coins keep their purchasing power, THINGS (food, toilet paper, etc.) have real value, and trading by barter becomes the norm. The following article speaks to this.

Trading Will Be Our Currency

In One Hour the American Economy Will Fall

On April 10 in the morning, the Lord began speaking to me. He said:
“These are very serious times. America is right on the brink. A very sudden and complete economic crash is right at the door.

There will be a silence, then all trade will cease for one week. **Then you will be told that the world has changed forever, it can no longer operate as before, and a New World Order will be put in place, for the benefit of the people.**

This has been planned for many years, and will happen in the midst of a war. [\[The War that I told you is coming.\]](#) **These things are not years away. They are at the door.**

I will be your provider in this time and until such time as I return. Do not fear the things to come but fear Me. Honor and obey Me in all that you do, for salvation comes from the Lord.”

“Alas, alas, that great city that was clothed in fine linen, purple, and scarlet, and adorned with gold and precious stones and pearls! For in one hour such great riches came to nothing. Every shipmaster, all who travel by ship, sailors, and as many as trade on the sea, stood at a distance and cried out when they saw the smoke of her burning.” *Revelation 18:16-17*

A time of great economic hardship is upon you, children, and it will appear suddenly and with no warning beforehand.

The world's people will panic when I destroy their mammon gods and they are no longer wealthy, but My people need not fear. If I am your God, you will have enough. Yeah, even more than enough.

Follow My leading, for I shall guide each of you on how to prepare and survive your time in it.

“And when he had opened the third seal, I heard the third beast say, ‘Come and see’. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand. And I heard a voice in the midst of the four beasts say, ‘A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine.’” *Revelation 6:5-6*

“But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal...” *Matthew 6:20*

“Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal; but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also.” *Matthew 6:19-21*

V. Summary – It Is Time for Action

In I Chronicles 12:32, God commended the men of the tribe of Issachar **“who understood the times and knew what Israel should do”**. In like manner, we are to understand the times and seek the Lord as to what we should do. But we cannot truly understand what we should do unless we seek the Lord with all our heart, mind, and soul. And then He will guide us into provision ([God Will Provide](#)):

“Trust in the LORD with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths.” *Proverbs 3:5-6*

We are also to be of good courage, for our Lord goes with us:

“Be strong and of good courage, do not fear nor be afraid of them; for the Lord your God, He *is* the One who goes with you. He will not leave you nor forsake you.” *Deuteronomy 31:6*

And finally, God created us to be alive at this special time, and to be His witnesses. So let us share the truth and love of Christ with all He brings across our paths, so we may experience the joy of the Lord, which surpasses all human understanding.

PART V will soon follow, focusing on how to avoid taking the MOTB (mark of the beast). You won't want to miss it.

Time is short. God is great. Walk with the Lord.

In His love,
